NOTICE:

In accordance with plans and specifications submitted herewith and in full conformity with the provisions and regulations of all ordinances of the City, the City reserves the right to approve or disapprove the project requested based solely upon the representations of the applicant. The Building Inspector is hereby given the authority to make inspection of the project site at any time during the progression of work and stop all work not in conformity with this permit, the plans and specifications or any laws of the State, Federal Government or City. This permit shall become null and void if work or construction authorized herein is not commenced within 6
--

*Applicant must complete all answers fully and attach additional sheets if sufficient space is not provided.

months, or if construction or work is suspended or abandoned for a period of 6 month at any time after the work is commenced.

ACKNOWLEDGMENT:

By my signature below, I verify that I have read the forgoing application and filled in all applicable information, attaching all documentation that supports this permit request. I certify that all information is true and correct to the best of my knowledge. Additionally, I understand that it will be my responsibility to ensure at all times compliance with the applicable laws of the State, Federal Government and the City with respect to the permit which may be issued for this project. The attached specifications and plans represent the complete project to be undertaken under this permit number including alterations to any structures or the premises upon which the project is located and comply with all State, Federal and City requirements. Any changes made to the plans or specification must be with the approval of the Building Inspector. Failure to locate or construct the project in compliance with the applicable State, Federal and City requirements may result in a stop work order being issued for which I agree to cease all work until approved by the Building Inspector. Approval of this permit does not constitute an agreement to construct or locate the premises contrary to State, Federal or City requirements.

BEFORE ME the undersigned authority, on this day personally appeared _____ [Applicant Name] who hereby solemnly swears that the above statements concerning the above described project are true and that (s)he is the owner of said structure or has been authorized by the owner(s) to act as an agent in procuring the permit herein requested.
